COVID-19 Update: 12th June

Welcome to the last COVID-19 update of the week from Cardiff Council, covering: 11 things that will help avoid problems with seagulls and pests; the Early Years Inclusion Team switch to social media, phone and email to continue giving support; messages of thanks for our Recycling Centre staff; and vote Katy, a member of our Digital Support Team, in the running to become a UK Digital Leader.

How to avoid issues with seagulls and pests

Cardiff has a natural seagull population that is attracted to food sources. To help avoid issues, please follow our advice with your food waste:

1. Place all unwanted uncooked and cooked food waste in the kitchen caddy
2. Keep the outside of kitchen caddy clean from drips and spills
3. Use the free council issues liners – order more here: https://www.cardiff.gov.uk/ENG/resident/Rubbish-and-recycling/Food-and-recycling-bags/Pages/default.aspx
4. Make sure the lid is kept closed
5. Tie the liner and place it in the kerbside caddy
6. If you have too much food you can request a further kerbside caddy order more here: https://www.cardiff.gov.uk/ENG/resident/Rubbish-and-recycling/Food-and-recycling-bags/Pages/default.aspx
7. Mark your caddy with your house number or name so you are able to identify your food caddy following collection
8. Rinse food packaging such as bottles, tins, jars and food trays, before placing in the green recycling bags
9. Put out your green recycling bags and food waste kerbside caddy out for collection every week
10. Only use Cardiff Council food caddies and green recycling bag to ensure your waste is collected
11. Regularly check the outside of your property to make sure any broken vents or drain pipes are repaired. Animals such as rats can be attracted to houses if they provide a warm safe place for them to nest

The food waste collection service and the caddy design has been developed to stop the problems with pests attacking food sources. Check your collection dates here: https://www.cardiff.gov.uk/ENG/resident/Rubbish-and-recycling/When-are-my-bins-collected/Pages/default.aspx

Download the Cardiff Gov App to set up reminders and never miss a collection date: https://www.cardiff.gov.uk/ENG/resident/cardiff-gov-app/Pages/default.aspx

Early Years Inclusion Team urge people to ‘pop in’ to their One Group on social media

Under normal circumstances the Early Years Inclusion Team would be happily meeting parents/carers and their children at our weekly 'One Group' (parent support groups for children birth to five who may have additional learning needs).

During this strange time, even though they can't meet face to face, the team are still keeping in contact and providing as much support as they can via phone, email and social media, responding to queries as normal.

Early Years Inclusion are sharing information through their Facebook and Twitter pages including updates, health resources, fun activities, Makaton songs and generally trying to keep everyone informed and uplifted.

So, while it's not possible for parents to 'pop in' to The One Group at the moment, the team are inviting people to stay in touch with them through social media:

Praise for our teams as Recycling Centres re-open

Our Recycling Centres in Lamby Way and Bessemer Close have been re-open for a couple of weeks with restrictions in place so that residents and colleagues can stick to social distancing rules to help prevent the spread of Coronavirus.

We've received many messages of thanks to our hardworking teams on site, making sure the new changes are implemented as simply as possible:

Croeso i ddiweddariad #COVID19 olaf yr wythnos gan Gyngor #Caerdydd, sy'n cynnwys: sut i osgoi problemau gyda gwylanod a phlâu; y tîm cynhwysiant blynyddoedd cynnar yn annog pobl i 'alw mewn' i'w grŵp un drwy'r cyfryngau cymdeithasol; clod i'n timau wrth i'r Canolfannau Ailgylchu ailagor; Arweinwyr Digidol y DU - pleidleisiwch Katy.

Sut i osgoi problemau gyda gwylanod a phlâu

Mae gan Gaerdydd boblogaeth naturiol o wylanod sy'n cael eu denu gan ffynonellau bwyd. Er mwyn helpu i osgoi'r problemau hyn, dilynwch eich cyngor gyda'ch gwastraff bwyd:

1. Rhowch unrhyw fwyd gwastraff (boed wedi'i goginio a'i beidio) yn y cadi cegin
2. Cadwch y tu allan i'r cadi cegin yn lân ac yn rhydd o unrhyw ddiferion
3. Defnyddiwch fagiau bin am ddim y cyngor – cliciwch ar y ddolen hon i archebu rhagor:

4. Cadwch y caead ar gau
5. Clymwch y bag a'i roi yn y cadi ymyl y ffordd
6. Os oes gennych ormod o fwyd gallwch ofyn am gadi ymyl y ffordd arall drwy archebu yma:

https://www.cardiff.gov.uk/CYM/preswylydd/Sbwriel-ac-ailgylchu/Archebwch-bagiau-bwyd-ac-ailgylchu/Pages/default.aspx

7. Rhowch rif neu enw'ch tŷ ar y cadi fel y gallwch nodi'ch un chi ar ôl i'r gwastraff bwyd gael ei gasglu
8. Rinsiwch eitemau fel poteli, tiniau, jariau a bocsys bwyd cyn eu rhoi yn y bagiau ailgylchu gwyrdd
9. Ewch a'ch bagiau ailgylchu gwyrdd a'ch cadi ymyl y ffordd ar gyfer bwyd gwastraff allan i'w gasglu bob wythnos
10. Defnyddiwch cadis bwyd a bagiau ailgylchu gwyrdd Cyngor Caerdydd yn unig er mwyn sicrhau y caiff eich gwastraff ei gasglu
11. Gwiriwch yn rheolaidd y tu allan i'ch eiddo er mwyn sicrhau bod unrhyw fentiau neu bibelli draen yn cael eu trwsio. Mae anifeiliaid fel llygod mawr yn cael eu denu i gartrefi os oes yna le diogel a chynnes iddyn nhw nythu

Mae'r gwasanaeth casglu gwastraff bwyd a dyluniad y cadi wedi cael eu datblygu'n arbennig i stopio plâu rhag ymosod ar ffynonellau bwyd. Mae'r dyddiadau casglu yma:
