

COVID-19 Update: 8th June

In today's COVID-19 update from Cardiff Council: the first phase of the pilot scheme on Wellfield Road implemented - parking spaces removed to widen the pavements for social distancing; hubs continue to provide foodbank vouchers, as the distribution of emergency food parcels from the four core hubs that remained open throughout lockdown comes to an end; what we can and can't accept at our Recycling Centres; and Cardiff ARC teams keeping people safe.

First phase of the Wellfield Road pilot scheme is up and running

The first phase of the pilot scheme on Wellfield Road was implemented over the weekend, with parking spaces removed from either side of the road and temporary traffic cones put in place to widen the pavements, so social distancing measures can be followed by the public.

Fourteen birch trees, in individual planters, will be introduced at the end of June and the trees and more permanent bollards will be put in place to replace the traffic cones. This will create a more permanent divide between vehicles driving on the road and pedestrians using the pavements.

This is the first of 15 neighbourhood shopping centres that are currently being assessed to make improvements in light of the new social distancing requirements to ensure that they are safe for the public to use.

Social distancing measures will remain in place for the foreseeable future, so it is important for the public to understand that when non-essential stores are re-opened, there will be restrictions on the number of people that can enter a shop at one time. This does pose a challenge for the local authority, as people will have to queue out onto the street before they can enter the shop.

Cllr Caro Wild, Cabinet Member for Strategic Planning and Transport at Cardiff Council said: "With social distancing expected to be the 'new normal' for some time to come, this does pose a significant challenge both for residents and the local authority.

"The pavements in the city were not designed to allow a two metre distance between other people, so public space will have to be adapted to ensure social distancing can be maintained as the city gradually starts to re-open for business."

The space for cyclists and pedestrians has already been expanded on Castle Street in the city centre, with the pavement extended into the road from the junction with Cathedral Road and Cowbridge Road, over Canton Bridge, along Castle Street, Duke Street and up to the North Road-Boulevard De Nantes junction. This dual space will be adapted into a new cycleway when the permanent approved scheme is built.

The first phase to extend the pavements on Wellfield Road follows the ambitious announcement last Friday (June 5th) on the council's plans to re-model space in the city centre, so that when the city is ready to re-open for business, it can be done in a

safe and managed way -

Foodbank vouchers in Hubs

The distribution of emergency food parcels from the four core hubs that remained open throughout lockdown has come to an end.

More than 500 parcels have been collected from Central Library Hub, St Mellons Hub, the Powerhouse and Ely & Caerau Hub since March.

These hubs will continue to provide foodbank vouchers to households who are not self-isolating but are struggling to buy food because of the financial impact of the crisis. Anyone needing help can drop in to the hubs where the voucher will be issued.

Parcels can then be collected from Cardiff Foodbank distribution centres across the city. Find out where here: <https://cardiff.foodbank.org.uk/locations>

Our Money Advice team will get in touch with anyone needing a voucher after their visit to discuss their circumstances and help and support available for them.

Cardiff ARC teams keep our locations safe during lock down

The ARC team have continued to deliver a professional and dedicated service throughout the lock down in Cardiff.

ARC provide a 24/7 protection and response service for people and places. Their role has adapted slightly under the current health crisis to also cover:

- Allowing contingency access for essential works to some council sites
- Ensuring social distancing guidelines are adhered to in certain buildings
- Monitoring CCTV for a variety of council buildings, i.e. sheltered accommodation
- Monitoring of keyworkers who are using our Loneworker solutions
- Monitoring vulnerable residents with cognitive impairment

As Central Library Hub has remained open to the public on an appointment-only basis for certain services, collection of green bags and foodbank parcels, the security team there have continued to work, ensuring the building remains safe and secure for staff and the public.

The Locality Wardens are completing tasks such as daily opening and closing schools being used a key worker hubs, patrolling council building including hubs and attending alarm activation, responding to fire and intruder alarm activations, reporting and responding to ASB incidents. The team have adapted their work tasks to comply with COVID-19 health and safety guidelines.

The ARC team along with Business Support have also been a single point of contact for the out of hours distribution of essential PPE supplies across the many council

and care home establishments in Cardiff during the COVID- 19 crisis ensuring that key workers are protected.

Diweddariad COVID-19: 8 Mehefin

Yn y diweddariad ar COVID-19 a gafwyd heddiw gan Gyngor Caerdydd: gweithredwyd cam cyntaf y cynllun peilot ar Wellfield Road dros y penwythnos, gyda lleoedd parcio wedi'u dileu o bob ochr y ffordd a chonau traffig dros dro i ehangu'r palmentydd er mayn i'r y cyhoedd allu dilyn mesurau ymbellhau cymdeithasol; talebau banc bwyd mewn Hybiau, a mae dosbarthiad parseli bwyd brys o'r pedwar Hyb sydd wedi parhau i agor trwy'r cyfnod cloi wedi dod i ben; yr hyn allwn ac na allwn eu derbyn yn ein canolfannau ailgylchu; a timau ARC Caerdydd yn cadw ein lleoliadau'n ddiogel yn ystod cyfnod y cloi.

Mae cam cyntaf cynllun peilot Wellfield Road yn weithredol

Gweithredwyd cam cyntaf y cynllun peilot ar Wellfield Road dros y penwythnos, gyda lleoedd parcio wedi'u dileu o bob ochr y ffordd a chonau traffig dros dro i ehangu'r palmentydd er mayn i'r y cyhoedd allu dilyn mesurau ymbellhau cymdeithasol.

Caiff pedair ar ddeg coeden fedw, mewn blychau plannu ar wahân, eu cyflwyno ar ddiwedd mis Mehefin a chaiff y coed a bolardiau mwy parhaus eu gosod i gymryd lle'r conau traffig. Bydd hyn yn creu rhaniad mwy parhaol rhwng cerbydau'n gyrru ar y ffordd a cherddwyr yn defnyddio'r palmentydd.

Dyma'r cyntaf o bymtheng canolfan siopa cymdogaeth sy'n cael eu hasesu ar hyn o bryd i wneud gwelliannau yn sgil y gofynion ymbellhau cymdeithasol newydd i sicrhau eu bod yn ddiogel i'r cyhoedd eu defnyddio.

Bydd mesurau ymbellhau cymdeithasol yn parhau yn eu lle hyd y gellir rhagweld, felly mae'n bwysig i'r cyhoedd ddeall, pan fo siopau nad ydynt yn hanfodol yn ailagor, bydd cyfyngiadau ar nifer y bobl a gaiff fynd i mewn i siop ar yr un pryd. Mae hon yn her i'r awdurdod lleol, oherwydd y bydd rhaid i bobl giwio allan ar y stryd cyn gallu mynd i mewn i'r siop.

Dywedodd y Cynghorydd Caro Wild, Aelod Cabinet Cyngor Caerdydd dros Gynllunio Strategol a Thrafnidiaeth: "Gyda'r disgwyl y bydd ymbellhau cymdeithasol yn rhan o'r 'normal newydd' am beth amser i ddod, mae hyn yn creu her sylweddol i drigolion a'r awdurdod lleol.

"Chafodd palmentydd y ddinas mo'u cynllunio i ganiatáu pellter o ddau fetr rhwng pobl, felly bydd yn rhaid addasu gofod cyhoeddus i sicrhau y gellir cynnal ymbellhau cymdeithasol wrth i'r ddinas ddechrau ail-agor yn raddol ar gyfer busnes."

Mae'r lle ar gyfer beicwyr a cherddwyr eisoes wedi'i ehangu ar Stryd y Castell yng nghanol y ddinas, ac ehangwyd y palmant i mewn i'r ffordd o'r gyffordd â Heol y Gadeirlan a Heol y Bont-faen, dros Bont Treganna, ar hyd Heol y Castell, Heol y Dug

ac i fyny at gyffordd Heol y Gogledd - Boulevard de Nantes. Caiff y lle deul hwn ei addasu i greu beicffordd pan gaiff y cynllun cymeradwy parhaol ei adeiladu.

Mae'r cam cyntaf i ehangu'r palmentydd ar Wellfield Road yn dilyn y cyhoeddiad uchelgeisiol ddydd Gwener diwethaf (5 Mehefin) ar gynlluniau'r cyngor i ailfodelu lle yng nghanol y ddinas, fel y bydd modd, pan fo'r ddinas yn barod i ailagor ar gyfer busnes, ei wneud mewn ffordd ddiogel a reolir

Talebau banc bwyd mewn Hybiau

Mae dosbarthiad parseli bwyd brys o'r pedwar hyb sydd wedi parhau i agor trwy'r cyfnod cloi wedi dod i ben.

Casglwyd mwy na 500 o barseli o Hyb y Llyfrgell Ganolog, Hyb Llaneirwg, Powerhouse, Llanedern a Hyb Trelái a Chaerau ers mis Mawrth.

Bydd yr hybiau hyn yn parhau i ddarparu talebau banc bwyd i aelwydydd nad ydynt yn hunan-ynysu ond yn cael hi'n anodd prynu bwyd oherwydd effaith ariannol yr argyfwng. Gall unrhyw un sydd angen cymorth alw heibio i'r hybiau lle bydd y daleb yn cael ei rhoi.

Yna gellir casglu parseli o ganolfannau dosbarthu Banc Bwyd Caerdydd ledled y ddinas. Darganfyddwch ble yma

<https://cardiff.foodbank.org.uk/locations>

Bydd ein tîm Cyngor Ariannol yn cysylltu ag unrhyw un sydd angen taleb ar ôl eu hymweliad i drafod eu hamgylchiadau a'r help a'r gefnogaeth sydd ar gael iddynt.

Timau ARC Caerdydd yn cadw ein lleoliadau'n ddiogel yn ystod cyfnod y cloi

Mae tîm ARC wedi parhau i ddarparu gwasanaeth proffesiynol ac ymroddedig drwy gyfnod y cloi yng Nghaerdydd.

Mae ARC yn darparu gwasanaeth amddiffyn ac ymateb 24/7 i bobl a lleoedd. Mae eu rôl wedi addasu ychydig hefyd o dan yr argyfwng iechyd presennol i gynnwys:

- Caniatáu mynediad 'annisgwyl' ar gyfer gwaith hanfodol i rai safleoedd cyngor
- Sicrhau y glynir wrth ganllawiau cadw pellter cymdeithasol mewn rhai adeiladau
- Monitro teledu cylch cyfyng ar gyfer amrywiaeth o adeiladau'r Cyngor, h.y. llety gwarchod
- Monitro gweithwyr allweddol sy'n defnyddio ein datrysiadau Loneworker
- Monitro preswylwyr sy'n agored i niwed sydd â nam gwybyddol

Gan fod Hyb y Llyfrgell Ganolog wedi aros ar agor i'r cyhoedd ar sail apwyntiad yn unig ar gyfer rhai gwasanaethau, casglu bagiau gwyrdd a pharseli banciau bwyd, mae'r tîm diogelwch yno wedi parhau i weithio, gan sicrhau bod yr adeilad yn parhau i fod yn ddiogel ac yn saff i'r staff a'r cyhoedd.

Mae'r wardeiniaid ardal yn cwblhau tasgau megis agor a chau ysgolion sy'n cael eu defnyddio fel canolfannau gweithwyr allweddol, mynd ar batrol heibio i adeiladau'r

cyngor gan gynnwys hybiau a mynychu pan fo larwm yn canu, ymateb i achosion o dân a larymau tresmaswyr, adrodd ac ymateb i ddigwyddiadau o ymddygiad gwrthgymdeithasol. Mae'r tîm wedi addasu eu tasgau gwaith i gydymffurfio â chanllawiau iechyd a diogelwch COVID-19.

Mae tîm ARC ynghyd â Chymorth Busnes hefyd wedi bod yn bwynt cyswllt unigol ar gyfer dosbarthu cyflenwadau o PPE hanfodol y tu allan i oriau gwaith ar draws nifer o sefydliadau cyngor a chartrefi gofal yng Nghaerdydd yn ystod argyfwng COVID-19 gan sicrhau bod gweithwyr allweddol yn cael eu hamddiffyn.
