Green Flag Award Ty'r Winch Playing Field

Old St. Mellons Community Council are proud to announce that Ty'r Winch Playing Field has been awarded the Green Flag Award – 3rd year running

The playing field is for the use and enjoyment of the community and this is owned by OMSCC, the field has a Fields in Trust status and have been awarded the Green Flag once again.

The flag will be flying at Old St. Mellons – Ty'r Winch Playing Field in recognition of its excellent facilities and commitment to delivering great quality green space.

*The Green Flag Award scheme is delivered in Wales by the environmental charity, **Keep Wales Tidy**, with support from the Welsh Government. It is judged by green space experts, who volunteer their time to visit applicant sites and assess them against eight strict criteria, including horticultural standards, cleanliness, environmental management and community involvement.*

The Green Flag Award is all about connecting people with the very best parks and green spaces. Keep Wales Tidy is proud to run the scheme in Wales because they know having a good quality environment can have a big impact on our communities, health and well-being, and economy.

The success of these sites is down to the commitment of local volunteers who work tirelessly to raise the standard of our green spaces. It's thanks to them that we have so many fantastic facilities on our doorstep.
