

Old St. Mellons Community Council

PRESS RELEASE

OCTOBER 2019

Village Hall

Old St. Mellons Community Council Village Hall roof repairs has now been completed.

This was a very long process whereby quotes were obtained and a lot of discussion had taken place to deciding the best material for the roof, all in all it has taken over a year from sourcing funding to completion of works.

OSMCC were very sucessfully in obtaining S106 monies in order to fund such a large project, the works were carried out in August and September 2019.

OSMCC would like to thank Old St. Mellons Village Association for their donation of £5000 towards the cost of the roof, their continued support has helped maintain the Village Hall for all the community to enjoy.
